

Changes to Payment Request Form

HSD would like to notify you that the Payment Request Form (PRF) has been updated as of October 6, 2020. You can find the new PRF form on the Medicaid Portal at:

<https://nmmedicaid.portal.conduent.com/static/ProviderInformation.htm#Self-DirectionForms>.

Please begin using the updated form. The old form will not be accepted by Conduent after November 30, 2020.

Mi Via Remote Day Services Update

On September 1, 2020, the Centers for Medicare and Medicaid Services (CMS) approved Day Services to be provided using a computer or a mobile device. This is also called a “virtual” or “remote” service. This allows participants to receive Customized Community Group Supports (CCGS) and Community Direct Support (CDS) services in their home or online. Day services may still be provided in person.

Examples of activities under these services that you can do:

- Screen sharing and prompting to complete an individual activity;
- Virtual group activities;
- Online classes, workshops, or activities conducted in a group or individually; and,
- Support to connect to remote activities.

Service requirements:

Family and friends can help participants with remote based activities. Providers are responsible for providing remote services in a way that all participants can access.

If these services are provided remotely, the Payment Request Form (PRF) must include the word “**Remote**” or “**Provided in the Home**” under the service description.

Important Announcement: Transition from FOCoS to Palco

HSD would like to notify you that we are replacing the FOCoS system in March of 2021. The new system is called Palco. The State, Conduent and your Consultant will assist you in this transition and with learning how to use the Palco system. More information will be provided as it becomes available. This change will not affect the services you are receiving.

Mi Via Waiver CMS Extension

The Centers for Medicare and Medicaid Services (CMS) approved a temporary 90-day extension of the current Mi Via Waiver through December 31, 2020. CMS has directed the State to remove the Native American Healing specialized therapy service, stating that the service cannot be a Medicaid covered service through the Mi Via Waiver. HSD has sent out a Tribal Notification to inform them of this change. Any proposed changes to the waiver will go into effect once CMS approves of the revised waiver application.

Personal Protective Equipment (PPE) Needs

Jennifer Rodriguez, Department of Health (DOH) Community Programs Bureau Chief

During the Public Health Order should a Mi Via participant need personal protective equipment (PPE), we ask that you work through your Mi Via Consultant, who will then contact and work with DOH/DDSD. DDSD may be able to assist in providing or finding PPE for the Mi Via participant. If participants use vendor agencies, vendors can use the 213 Form to access PPE.

Some examples of PPE that DDSD may have are listed below:

- Masks
- Face shields
- Gowns
- Gloves

Please work with your Consultant first, before trying to access PPE through your Mi Via budget.
